Diversity, Inclusion & Bias Workshop

Transform your workplace with a powerful 3-hour session combining the Hobart Human Library and an additional hour on unconscious bias. Begin with four captivating Human Books sharing their lived experiences of overcoming discrimination and adversity, sparking meaningful conversations that challenge assumptions and inspire empathy. Then, delve deeper with an hour dedicated to understanding unconscious bias – exploring how it influences decisions and behaviours in the workplace. This unique session not only opens minds but equips your team with practical tools to recognise and address hidden biases, fostering an inclusive and respectful workplace culture.

1 x 3h Workshop	\$2,450
